

# SEX IN OUR CITY

A frank discussion about women's sexual health

Tulane Health System is proud to present a FREE seminar hosted by visiting professors and **noted sexual health experts Drs. Sue and Irwin Goldstein.**

*Topics discussed will include:*

- FDA-approved medications for female low libido
- Menopause survival strategies
- Birth control and your body
- Women's sexual health FAQs
- Dealing with dysfunction
- How to spice it up in the bedroom
- ... and much more!
